

Dear [Name],

Unique, elegant and connected, just like you! Introducing Phonak Slim Slim, because at [Practice Name], we know how important hearing health is to your overall well-being.

We invite you to experience the next level in hearing technology. Phonak Slim hearing aids blend the latest hearing technology in an aesthetically appealing look to keep you feeling unique, elegant and connected.

Introducing Phonak Slim™ Hearing never looked better.

The unique ergonomic shape of Slim is contoured to naturally nestle behind your ear even when wearing glasses.

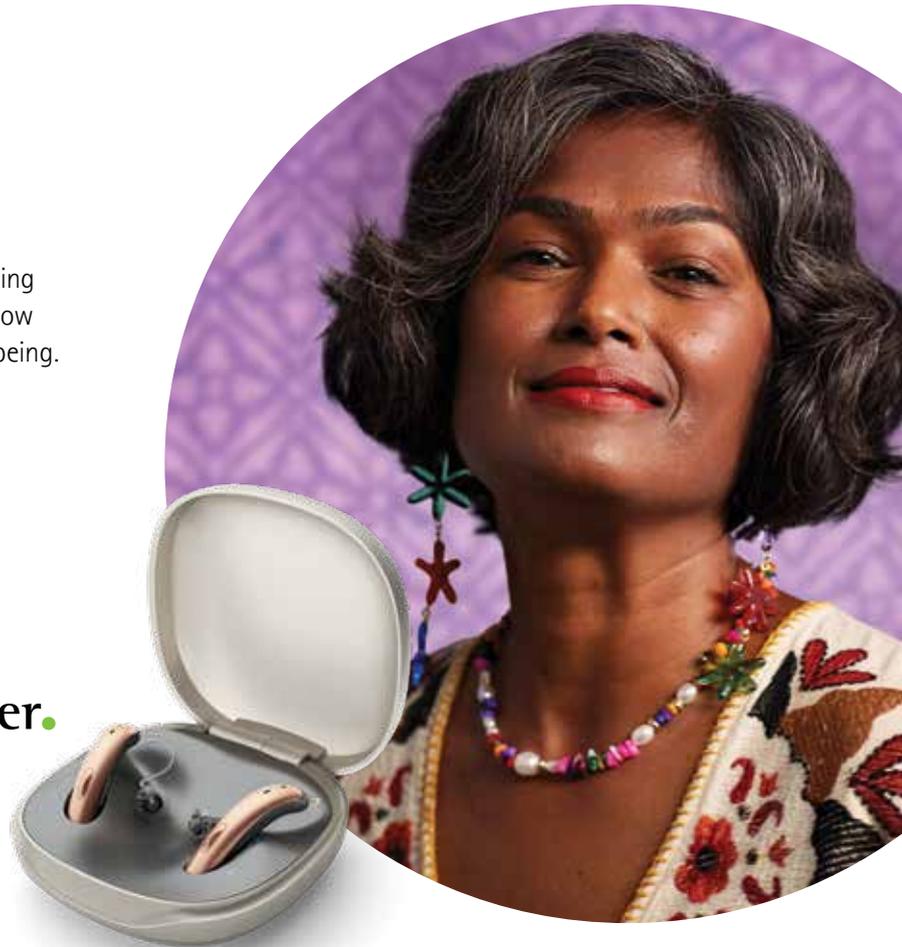

- **Improved speech understanding** in noisy environments. Thanks to Phonak SmartSpeech™ Technology, you can focus on speech in many listening situations
- **Universal connectivity** connects directly to any Bluetooth® enabled device for hands-free calls, including Tap Control for easy access
- **Rechargeability** that easily takes you through the day. Comes with an attractive **compact charger** that complements the sleek appearance of Phonak Slim.
- **Push button** that provides you instant access to personalisation and connectivity

Experience Phonak Slim hearing. The sleek and stylish look of Phonak Slim is a perfect match for your modern hearing life. **Call us today to schedule your appointment** <Phone Number>.

Sincerely,
