*Binaural VoiceStream Technology™
Available with bilateral fittings

Venture Feature Overview

AutoSense OS

Accurately and precisely adapts to provide a seamless listening experience.
Move from one environment to the other, no button pushing needed.

Speech in Car

Reduces car and road noises to provide a stable listening environment in the car.
Enjoy conversations with passengers or a peaceful solo ride.

Comfort in Echo

Automatically reduces reverberations to improve understanding in places with echoes.
Follow the tour guide at the museum without difficulty.

Music

Allows for more natural music listening experience.
Enjoy the melodies and harmonies at the symphony.

Speech in Loud Noise

Automatic focus on a single person speaking directly in front of you in a noisy crowd.
Gather with your family at a restaurant.

Speech in Noise

Automatic follows a single voice in a noisy environment.
Enjoy conversation at a noisy wedding reception.

Speech in 360°

Automatically focuses on the loudest speaker, regardless of their location.
Follow conversations from any direction while driving or riding in the car.

Speech in Wind

Allows you to enjoy conversations, even on a windy day.
Hear the conversation outside on the golf course.

DuoPhone

Hear the phone conversation in both ears automatically.
Catch up with loved ones on your home or mobile phone.

SoundRecover

Gives more high-frequency audibility.
Enjoy birds chirping, understand children's voices more clearly.

Tinnitus Balance

Noise generator to help provide relief from tinnitus sounds.
Relax in quiet environments without focusing on unwanted noise.

WhistleBlock

Eliminated annoying whistling from hearing instruments.
Keep focused on the conversation without worry of interruption.

UltraZoom

Allows you to enjoy every part of the conversation.
Catch up with friends over coffee.

EchoBlock

Understand better in rooms or areas where there is an echo.
Follow the theatre performance or religious service.

SoundRelax

For a more relaxing listening experience.
Hear beyond clattering dishes or slamming doors.

WindBlock

Suppresses wind noise so you can enjoy spending time outdoors.
Go for a walk outdoors with a loved one.

QuickSync

Control both hearing instruments with one touch of a button.
Focus on what's important - your hearing.

Flex Control

Control more than just the volume of your hearing instruments.
Customise the sounds in your environment.
