

Dear **Client Name**,

Discover the wonder of powerful sound with the NEW Phonak Naída™ Paradise.

Our ability to hear all the nuances of our sound environment is such an integral part of our existence. Being able to hear well adds to our sense of connection and engagement, which ultimately contributes to our overall well-being.

Recently, Phonak has introduced **Naída Paradise**, the world's first behind the ear style hearing aid family with Motion Sensor Hearing*, Speech Enhancer^, Dynamic Noise Cancellation^, Tap Control+ and universal Bluetooth® connectivity. After learning more about this latest technology, we know it would truly benefit you.

Taking nature as inspiration, Naída Paradise offers an unrivalled powerful hearing experience and delivers crisp, natural sound for you to enjoy the wonders of the world as they should be heard.

Features include:

- Next level, powerful sound
- Universal connectivity to iOS®, Android™ and just about any Bluetooth device, including smartphones, smart TVs and more
- New Tap Control+ for easy access to Bluetooth functions
- Personalised digital solutions **via myPhonak app**
- Powerful rechargeable battery#

For a limited time, you're invited to try Phonak Naída Paradise obligation-free and experience **the wonder of powerful sound**.

Call us today to schedule your in-clinic or remote appointment.

We look forward to seeing you in the clinic to try **Naída Paradise**.
