# Unleash the ear's amazing potential

## Audéo Fit™ with heart rate sensor and activity tracking.

Audéo Fit contains a built-in heart rate sensor and when paired with the myPhonak app, can track your heart rate, steps and activity levels. Gaining insights into your overall health and well-being empowers you to make better daily lifestyle choices and uncover a healthier version of yourself<sup>1</sup>.

Audéo Fit offers crisp natural<sup>2</sup> sound. Dynamic Noise Cancellation and Speech Enhancer, means you can enjoy better hearing in noisy and quiet places. With its universal Bluetooth® connectivity, Audéo Fit allows you to enjoy your favourite TV shows, stream podcasts, take calls, and listen to music at home or on the go.

## Did you know?

Growing evidence shows that treating hearing loss can positively impact your social-emotional, cognitive and physical well-being<sup>1</sup>.
