

NEW Audéo Fit Lumity unleashes the ear’s amazing potential

Dear <customer name>,

Hearing well can have a positive influence on so many aspects of your life. Not only does hearing well help you to understand the world around you, it’s linked to a greater state of social-emotional, cognitive and physical well-being. Taking action to prevent hearing loss and ensuring you have the right hearing device that meets your individual or changing needs is important.

We are an Independent hearing clinic serving the local community for <XX> years. Your well-being is always top of mind in our practice and it’s our mission to make sure you’re connected to the benefits of hearing well.

We'd like to introduce you to the NEW Audéo Fit Lumity with advanced health data tracking. Audéo Fit Lumity has an improved built-in heart rate sensor and tracks your steps, activity levels and distanced walked/ran. Health data also synchronises with the Apple Health app.
