<p>Post 2: Action-Oriented – Hearing Screening CTA</p> <p>Caption: Are you ready to fully enjoy the sounds of the season?</p> <p>If conversations have been feeling harder to follow or you’ve been turning up the volume more than usual, it might be time for a hearing check.</p> <p>Take our quick hearing screening today and make sure you don’t miss a single magical moment this Christmas.</p> <p>CTA: [Link to screening or booking page]</p>	<p>Ready to enjoy the sounds of the festive season?</p> <p>Take our quick hearing screening test today.</p> 

Post 3: Highlighting Phonak Infinio Sphere

Caption:

Introducing Phonak Infinio Sphere – our most advanced hearing aid yet.

With two dedicated AI chips, it automatically separates speech from noise in any direction, adapting in real time to your surroundings. The result?

- ◆ Clearer conversations
- ◆ Natural, personalised sound
- ◆ Confidence wherever life takes you

Be ready to experience the next generation of hearing technology this holiday season.
