Infinio Ultra

Upgrade your existing Infinio hearing aids to the new Infinio Ultra software and unlock the latest Infinio features and improvements.

## Redefining extraordinary sound!

- Improved AI technology that automatically adapts to your surroundings, so you experience the best sound even in the most challenging situations
- Fully automated and even more precise detection of listening environments- boosting your speech understanding in noise<sup>1</sup>
- Whether it's jazz, hip-hop, classical or electronic, enjoy every beat clearly, thanks to the AI-trained sound classification system
- Universal Bluetooth® connectivity that works - no matter the device, no matter the moment. Pair upto 8 Bluetooth devices
- 56 hours of battery life\* – engage in life's activities without interruption

## It's easy!

- 1 Book a listening demonstration to hear the extraordinary sound difference of Infinio Ultra.
- 2 If you decide to proceed, your existing device can be upgraded on the spot. The software upgrade will take approximately 2 minutes for a pair of Audéo R or 7 minutes for a pair of Audéo Sphere. During this time we'll also ensure your hearing aids are programmed and personalised to your individual listening needs.
- 3 Payment can be made on the day or via Zip Pay.
