Additional Phonak Benefits:

- **Universal Bluetooth® Connectivity:** 8 pairings, 2 active connections, hands-free calls and streaming from virtually any Bluetooth® enabled device
- **Speech Enhancer:** Boosts soft speech and distant speech in quiet
- **RogerDirect™:** direct streaming from Roger™ microphones
- **myPhonak app**

Summary:

Whether you are upgrading from Infinio Ultra, Lumity, Paradise or an even older generation, the EON platform provides adaptive clarity, unlimited connections and an intuitive design. Audéo Sphere EON is smaller than ever and powerful beyond belief.

* Compared to previous generation.

** WindBlock 2.0 compared to previous generation, subjects with mild to moderately severe hearing loss.

*** The maximum battery runtime is determined by battery condition, hearing loss, environmental sound classification, streaming usage and activated feature set.

1 Vaisberg, J., Brunner, J., & Ulloa-Sanchez, D. (2026). Hearing confidently in wind: WindBlock 2.0 delivers comfort, natural sound quality and clearer speech. Phonak Field Study News retrieved from www.phonak.com/evidence
